

Premier Academy™

A Private School for the Very Young™

www.PremierAcademySchools.com

Thank you for your interest in Premier Academy. We welcome this opportunity to introduce ourselves to you, and answer any questions you may have.

Premier Academy was founded in 1989 by Catherine Page of Dr. Phillips. Our school is located in beautiful Windermere, Florida, in the heart of the community of Gotha. Our school campus is physically situated between Hempel Avenue and Steer Lake / Wilkening Farm Road (old Apopka Vineland) on Gotha Road.

Our ten thousand square foot educational buildings house PlayDay, PreSchool classes, PreKindergarten, Kindergarten and First Grade. Under a canopy of mature trees, we have a $\frac{3}{4}$ acre professionally designed playground for our older students, along with a separate playground for your younger child.

Our educational foundation is traditional, and our staff is exceptional. We are here to offer your child a gentle, time proven approach to math, science and reading readiness skills. We include a music program and we teach Spanish in all of our classes.

With a comprehensive, diverse, and planned curriculum, Premier Academy students grow socially, emotionally, physically, and intellectually, learn of the world around them, and make good friends. Our students paint, play in the sand, use glue, finger paint, run and ride bikes on our huge playground, and use varied manipulatives to develop skills. We encourage you to send your child to school in comfortable play clothes and closed toe shoes so they are free to discover all that we offer.

Our regular school day is five hours, 8:30am until 1:30pm. Should you need more time, we open our doors at 7:30am, and we remain on campus until early evening. Your child is welcome to come early and stay late on a regular basis or as needed. We will make every effort to accommodate your needs.

Premier Academy students eat lunch at school. You may send a lunch or we offer school lunches, supplied by outside vendors. You may purchase school lunches for your child everyday, or just every now and then as needed.

PlayDay is for our youngest student, beginning at 18 months, and you may choose your own schedule. PreSchool is offered two, three, or five days per week. For your child's educational continuity, we recommend the five day program. PreKindergarten, Kindergarten, and First Grade are five day classes. We follow a traditional school calendar, closing for holidays, teacher work days, Spring Break, Christmas Break, and Summer Break. Our Summer Fun! Program is optional.

Please schedule a visit to our campus by calling our School Office at 407.290.3277.
